## Connecting with DXC Technology

DXC Technology used CoVentured to identify startups to participate in the DXC Invitational 2019 - Australia & New Zealand : Insurtech Competition.

Daisee was a successful applicant and went through the 4 week program run by DXC Technology.

At the end of the program Daisee were crowned the 2019 winners of the DXC Invitational and are now exploring a partnership.

## Testimonial

*"CoVentured helps us find the right opportunities to collaborate with Corporates. Going directly to the Corporates who need Daisee's AI-driven software applications ensures our efforts are directed towards the best opportunities. Through CoVentured we were able to connect with DXC Technology who we are now exploring partnership opportunities with."*
